

SUAFRI-EPC

SUAFRI-EPC Brokerage Event in Armenia

The European FP7 project SUAFRI-EPC will organise its first brokerage event on innovation and technology transfer workshop in Yerevan (Armenia) the 23 October 2015. The brokerage event will be organised in parallel with the [Armenian National Agrarian University](#)'s conference.

This event will provide an opportunity for enhancing the cooperation between Armenian research organisations and businesses, and for establishing direct contacts and partnerships between Armenian and European academic and industrial representatives. The main aim of the day is to provide state of the art information on innovation issues relating to Agri-Food science and technology. It will cover topics such as innovation policy, governance and financing of Agri-Food innovations while learning more about on-going RDI activities in Armenia and meet relevant international actors in the sector of Agri-Food.

Travel Grants for European experts

A limited number of travel grants are available within SUAFRI-EPC project to support the participation of European experts in the field of Agri-Food research and innovation. The grant will cover the travel and accommodation costs of the awarded experts.

European researchers willing to participate in the event and get a travel grant are kindly asked to contact Mr. Flavien Massi (flavien.massi@intelligentsia-consultants.com) and Ms. Christine Robinson (cr@tii.org).

The deadline for applications is 30 September 2015. Applications will be considered on first-come-first-served bases.

The SUAFRI-EPC consortium thanks you for your interest in our event.
